Defendant.)	

ORDER

Pending before the Court are the motions of defendant Joseph Camp for Additional Funds and Interim Payment of Computer Expert Fees (Doc. No. 91) and for Computer Expert Fees (Doc. No. 102). Funds for a computer expert in this case have already been approved in the amount of \$2,400.00. Defendant's motions represent that these funds have been exhausted and that additional funds are necessary to adequately prepare a defense in this case. Because funds are now requested above and beyond those which can be approved by the District Court pursuant to 18 U.S.C. Section 3006A(e)(3) a request for additional funds will have to be submitted to the Chief Judge of the Eighth Circuit Court of Appeals. In order to determine whether this Court should recommend approval of such a request, it is necessary to know how much additional funding will be required for the computer expert to complete his work and how these funds will be spent. That information is not included in the defendant's pending motions. For this reason, it is

ORDERED that motions of defendant Joseph Camp for Additional Funds and Interim Payment of Computer Expert Fees (Doc. No. 91) and for Computer Expert Fees (Doc. No. 102) are DENIED WITHOUT PREJUDICE to defendant Joseph Camp filing a motion for additional

fees which includes specific information to the amount of additional fees sought and the nature or necessity of the additional work to be performed by the computer expert.
